DASCOM

Tally DASCOM T2610+

Tally DASCOM

High performance at low cost

- Its 680 cps print speed allows up to 20.000 pages per month
- Excellent print quality
- 15 million character ribbon
- Ethernet parallel and USB interface as standard
- User-friendly interface with backlight illuminated LCD display
- Epson FX 9-Needle Emulation

The Tally Dascom 2610 is a featured, reliable, and stylish machine. Performance, workload, maintainability, and excellent price ensure it is your only acceptable choice.

Continuous and cut forms fed quickly and easily to the front of the printer. This ensures a reliable paper transportation, even on 6-part stock.

The operator does not have to fumble over or around the printer to gain access to rear located tractors.

The printer operates with the highest reliability and performance and the least user intervention.

A lower acoustic rating results in a printer which is half as quiet as other competitive models.

Using the built-in Intelligent Mail® Barcode it is possible to get the best US Postal Service rates available
