2. HOW TO PLACE ORDER FOR PARTS

- (1) The parts handled as service parts are only those with their "Q'TY/PACK" column listed with a quantity other than "N/A***" or "SUPPLY".
Those parts with "N/A***" are listed only for the purpose of showing the mechanical construction, those listed with "SUPPLY" are handled only as a sales item, and therefore both types of parts are not supplied as service parts.
- (2) Orders for any parts which form a component of a semi-assembled unit are not acceptable.
Note: All the screws and nuts used are ISO standard.
