KONICA MINOLTA BUSINESS SOLUTIONS U.S.A., INC.

HOW TO USE THIS CATALOG

This parts catalog includes illustrations and part numbers for all replacement parts and assemblies used in this model.

Model-specific parts are identified in the illustrations with reference numbers. Use the reference number to locate the corresponding part number on the facing page.

Common hardware items, such as screws, nuts, washers, and pins, are identified in the illustrations with reference letters. Use the reference letter to locate the corresponding part number on the hardware listing in the lower right hand corner of the facing page.

If you know a part number, but don't know where the part is used, use the numerical index to determine the page number and reference number for that part. Because some common parts are used in several places, there may be more than one entry. Refer to the illustrations to see where the part may be used.

If you know a part's description, but don't know where to look to find the part number, use the alphabetical index to determine likely page and reference numbers. Then look at the illustrations to determine that you have identified the correct part. Locate the part number using the listing on the opposite page.

Retail pricing that appears with the numerical index, while valid when this catalog was printed, is subject to change without notice. The prices are only suggested prices and are provided only for reference. Dealers may determine their own selling prices. For up-to-date pricing, refer to current Konica price lists or contact the Konica Parts Distribution Center.

How to order parts

Use standard Konica parts ordering procedures to obtain these parts. For ordering options, contact Konica's Parts Distribution Center.

When ordering parts, be sure to specify part numbers exactly as listed in this catalog.

NOTE: Electrical parts may include previously used components.

CHARGING CORONA UNIT

REF. NO.	PART NUMBER	DESCRIPTION
1	26NA25180	Charging spring
2	26NA25160	Charging control plate
3	25HA25091	Charge cleaning knob
4	26NA25020	Charging block/front
5	26NA25040	Spark arrester preventive plate/front
6	26NA25070	Charging electrode plate
7	26NA25170	Wire tension spring
8	26NA25060	Charging wire
9	26NA25012	Charging block/rear
10	26NA25051	Spark arrester preventive plate/rear
11	25HA25100	Shaft stopper part
12	26NA-2520	Charging cleaning assembly
13	26NA-2510	Charging discharge plate assembly
14	26WA-2501	Charging corona unit

TRANSFER/SEPARATOR CORONA UNIT

REF. NO.	PART NUMBER	DESCRIPTION
1	26NA26190	Separate bridge
2	26NA26080	Discharge wire
3	40LA-2600	Transfer separator corona unit
4	26NA26230	Wire tension spring
5	26NA25130	Cleaner pressure spring
6	26NA26271	Transfer cleaning part/E
7	26NA26151	Transfer cleaning part/B
8	26NA26070	Spark arrester preventive plate/rear
9	26NA26041	Transfer separator block/rear
10	26NA26060	Spark arrester preventive plate/front
11	26NA26250	Electrode plate
12	26NA26260	Electrode spring
13	26NA73251	Electrode connecting spring/A
14	26NA26141	Transfer cleaning part/A
15	26NA-2620	Transfer separator block/front
16	26NA-2640	Cleaner cover assembly
17	26NA-2630	Cleaner shaft assembly
18	56AA17830	Transfer holding rubber

MANUAL FEED UNIT

REF. NO.	PART NUMBER	DESCRIPTION
1	26NA42480	Bypass feed guide plate/upper
2	26NA42040	Manual feed idler gear/lower (Z=22)
3	26NA42030	Manual feed driving cam
4	26NA-4280	Manual feed pick up assembly/2
5	26NA-5090	Manual feed solenoid assembly
6	26NA42210	Cam spring
7	466076020	Paper feeding shaft holder
8	40AA42270	Manual feed clutch
9	26NA42600	Manual feed roller
10	56AA85510	Photosensor
11	26NA42351	Support part
12	26NA42280	Manual feed detecting part
13	40AA40150	Shaft positioning part
14	540040562	Paper supply rubber
15	40AA42100	Manual feed conveyance roller
16	540076010	Paper feed shaft holder
17	26NA42081	Manual feed part
18	26NA42580	Gear(D) (Z=16)
19	25BA40320	Paper feeding rubber
20	26NA42630	Clutch lock gear (Z=10)
21	26NA42590	Cover
22	26NA42610	Clutch standard gear
