Basic Operations

Loading paper

User's Guide: Chapter 1

Drawer

Bypass tray

To set paper size of Drawer

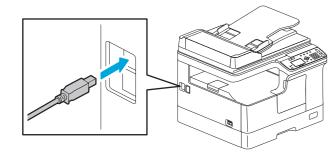

When you load paper in the drawer, a pop-up window appears. Follow the instructions and set the paper size. (When the "POP UP" function is set to "ENABLE".)

Driver installation

Installing the driver requires the administrator authority. For Windows 7, Windows 8, Windows Server 2008 R2, or Windows Server 2012, use the installer.

Connecting computer

Before installing the drivers, connect the equipment and the computer with a USB cable.

Note when installing from installer

- Close all running applications.
- If the installer does not automatically start, double-click "Setup.exe" in the DVD.

Software Installation Guide: Chapter 2

Using installer

- 1. Close all running applications.
- 2. Make sure that the equipment is turned off.
- 3. Insert the DVD into the computer.
- 4. Double-click "Setup.exe".
- 5. Follow the on-screen instructions.

Using Plug and Play

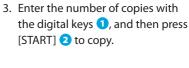

- 1. Turn on the equipment.
- 2. Follow the on-screen instructions.

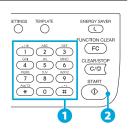

Copier

Place the original(s). Original glass

3. Enter the numb

⟨→ User's Guide: Chapter 2
